RELATECH: OKT s.r.l. Seminar "Automation of vulnerability exploitation and strategies used in Capture the flag competitions"

19 September 2020, 9:30 am - 1:30 pm

24 September 2020, 2:00 pm - 6:00 pm

Milan, September 18th 2020

Relatech S.p.A., *Digital Enabler Solution Knowledge (D.E.S.K.) Company* and innovative SME listed on AIM Italia market (Ticker: RLT), announces that [OKT s.r.l.](#), a university spin-off, part of the Relatech Group, will hold the seminar "*Automation of vulnerability exploitation and strategies used in Capture the flag competitions*" organized by the University of Calabria and MIUR - Department of Excellence 2018 - 2022.

During the seminar, which will be held in virtual mode on 19 and 24 September, the OKT experts will deepen the issues relating to *IT Security* and modern **Cyber Security** and **Big Data** technologies. In detail, they will show and make tangible examples of Ethical Hacking activities, such as defense techniques, network analysis, automation systems of "vulnerability exploitation" in Python and Burp Suite, patching in order to have valid systems in response to cyber-attacks.

The seminar will also be an opportunity for the OKT team to give an overview of the Relatech Group highlighting the solid collaboration that the Company has with research centers and universities, to present its **Replatform** digital and cloud based platform and to illustrate two valid research projects **EMPHAsis** and **True Detective 4.0**.

The **EMPHAsis** project - "*Effective Malware Prevention through Honeypot Assisted Analysis*" - has allowed OKT to develop a software platform that in the "Professional Edition" version works for the effective prevention of malicious IT modules through analysis tools based on honeypots located in IT systems. The **True Detective 4.0** project, still underway, aims to develop an innovative real-time monitoring platform for the predictive maintenance of equipment, for the

optimization of production processes and industrial automation for the management of physical security in business environment.

The event will be held in virtual mode via google meet on 19 September 2020, 09:30 - 13.30 and 24 September 2020, 14:00 - 18:00. Participation is limited, therefore for those wishing to participate it is necessary to send an e-mail to Comunicazione@relatech.com.
