

CyberChallenge.IT 2022 @unical  
CERIMONIA DI PREMIAZIONE LOCALE

**RELATECH GROUP – OKT**

**Relatech, through the university spin-off OKT, is the main sponsor of the CyberChallenge.IT training initiative in collaboration with the Cyber Security laboratory of the DIMES Department of the University of Calabria UNICAL**

- **Program aimed at young talents experienced in Cyber Defender and Cyber Security**

Milan, 08<sup>th</sup> June 2022

**Relatech S.p.A.**, *Digital Enabler Solution Know-how (DESK) Company* and innovative SME listed on the Euronext Growth Milan market (Ticker: RLT), announces that, informs that **OKT s.r.l.** (university spin-off of the Relatech Group), is one of the main sponsors of the [CyberChallenge.IT](#) 2022 initiative, an event organized in collaboration with the Cyber Security laboratory of the **DIMES Department of the University of Calabria UNICAL**.

The **Relatech Group** has also decided to support young university talents in the **CyberChallenge.it** challenge for 2022, an initiative recognized by the **Ministry of Education**, with the aim of attracting and enhancing the next generation of IT security professionals in the country.

The CyberChallenge is part of the numerous activities that the Relatech Group supports in favor of young talents in collaboration with its ecosystem of scientific partnerships with research centers and universities throughout the country. The Relatech Group shows constant interest in initiatives aimed at training and attracting talents, also through its Research and Development Hubs which perform the dual role of research incubators and aggregator poles for students preparing to transition from the world of education. to the world of work.

Today, from 10.30 to 12.30, the award ceremony will take place which will select the best students who will thus have the opportunity to participate in the national competition of the fifth Italian cyber security championship scheduled for next 30 June in Turin. The final challenge will take place between the selected winning teams of all the other Italian universities participating in the initiative and the winning team will become part of Team Italy which in turn will participate in the European Cyber Security championship.

For more information, visit the page dedicated to the initiative available at the [link](#).

It will be possible to follow the award ceremony in live streaming at the [link](#) at 10.30 - 12.30.
