

## **Michele Santoro – Investor Relations**

---

Michele Santoro was born in Rome on 21 February 1979 and holds a degree in economics and finance from the University of Nottingham Trent; he obtained a second level Master in International Tax Law at the University of Barcelona in 2001.

He has extensive entrepreneurial and business development experience. After completing his studies in Italy, England, and Spain, he deals with the internationalization of the business consultancy Studio Santoro (Rome), opening offices in Tunis and Tirana and facilitating the entry of Italian companies and entrepreneurs into these markets.

In 2007 he founded and held the role of CEO for Paspартu, the first concierge service in Italy.

In 2015 he founded and held the role of CEO for DOLCE USA LLC (dba Sweet Craft): a company specialized in the production of premium Italian sweets for large-scale US retailers, among the five most innovative "dairy" companies in North America and present in the major chains GDO of the USA.

In 2019 he joined the Vantea SMART SpA Group to which he transferred 90% of Paspартu, retaining the role of sole director.

He took care of the digitization of the service which allowed an exponential increase in the number of members and the closure of new partnerships with leading companies such as Sky and ENEL.

From 2021 to 2022 he held the role of Investor Relations Manager for Vantea SMART SpA, a company listed on the EGM market.

In 2022 he joined the management team of Relatech S.p.A. where he performs the dual role of Investor Relations Manager and Business Relationship Manager.
