**Relatech S.p.A.**, *Digital Enabler Solution Know-how (DESK) Company* listed on the Euronext Growth Milan market (Ticker: RLT), announces that today, the Company's Board of Directors reviewed the order book as of 31 May 2024, unaudited data, and also, approved the ESG 2023 budget.

Group orders at the consolidated level amounted to about Euro **28** million for the current year's portion, compared to approximately Euro 29 million as of 31 May 2023 of (-3% YoY).

The share of orders from foreign customers amounted to **40%** of the Group's backlog and was about Euros **11** million.

Today, the Board of Directors also approved the Group's ESG Report for the fiscal year 2023. Through this report, the Group communicates to all stakeholders, its continued commitment, the responsibility it has assumed and the significant achievements it has made in sustainability.

In the ESG 2023 Report, Human Value, Sustainable Innovation and Strategic Ecosystem are reconfirmed as the fundamental pillars of the Group's sustainable actions, which in 2023, met no less than 10 Sustainable Development Goals (SDGs) of the United Nations 2030 Agenda. In particular, the Group has achieved the following SDGs: business, innovation and infrastructure; decent work and economic growth; health and well-being; quality education; gender equality; reducing inequality; partnership for the goals; sustainable cities and communities; responsible consumption and production; and combating climate change.

At the top of Relatech's value chain are its Talents, towards whom the company pays special attention, guaranteeing an inclusive work environment that respects all diversities and promoting the well-being of all employees through corporate well-being. Furthermore, Relatech is committed to Sustainable Innovation, constantly investing in Open Innovation and collaborating

with universities and research centres to carry out numerous research projects, both environmental and social.

Finally, Relatech, convinced that sustainability goes beyond the boundaries of its own organisation, continues to be committed to the creation of a Strategic Ecosystem, composed of partners, suppliers, customers, investors with the aim of activating a circular value chain.

**Pasquale Lambardi, Chairman of Relatech's Board of Directors**, said: *“We are delighted with the figures published today, which highlight the completeness and flexibility of our end-to-end offering, as well as the distinctiveness and resilience of our business model, which integrates the most advanced frontier technologies, such as Artificial Intelligence and Cybersecurity. Thanks to our proprietary digital assets, we can respond quickly to the dynamics of a constantly changing market, while maintaining an order volume consistent with our objectives. Our investments in Cybersecurity, Cloud and Artificial Intelligence are receiving positive feedback from various businesses, whether SMEs or Corporate. These figures indicate that we are following the right path for our customers and the businesses in our ecosystem, positioning ourselves as the digital enabler towards the Digital Renaissance, i.e. the meeting between people and technology.*

*In this context of growth, we do not neglect sustainability, as evidenced by the ESG 2023 Report. We act responsibly towards key areas such as Human Value, the Environment, Research Projects and Responsible Governance, and we achieve as many as 10 SDGs of the UN 2030 Agenda. Relatech values talent and their training, promotes an inclusive work environment, invests in Sustainable Innovation and creates a Strategic Value Ecosystem with partners, suppliers, investors, customers to ensure sustainable and responsible growth for all our stakeholders, whose well-being is our unquestionable priority.”*
