

COMUNICATO STAMPA

LIGURIA DIGITALE S.P.A. CHOOSES THE RELATECH GROUP FOR THE EUROPEAN TENDER PROJECT FOR CYBERSECURITY SERVICES

- **Tender project worth approximately € 1,000,000 with a duration of three years**
- **Relatech, through Mediatech, has won the European tender project for the adoption of software systems by the technology partner Cynet, part of the Relatech ecosystem.**

Milan, 5th September 2024

Relatech S.p.A., *Digital Enabler Solution Know-How (DESK) Company* listed on the Euronext Growth Milan market (Ticker: RLT), announces that its subsidiary, Mediatech s.r.l., the Group's reference hub for **Cybersecurity** and **Cloud** technologies, has obtained significant recognition in the field of IT security. The Relatech Group, through Mediatech, has in fact been chosen by **Liguria Digitale S.p.A.**, an *in-house ICT company of the Liguria Region*, for **the award of the European tender for the adoption of software systems by the technological partner Cynet and for the cybersecurity services included in ReSoc**, with an expected investment of approximately **€ 1,000,000** for a three-year contract duration.

Relatech's role will be crucial in providing Liguria Digitale S.p.A. with constant protection from cyber threats. The Relatech Group, in fact, through the [ReSoc](#) service that offers the highest levels of protection, is able to guarantee the total security of endpoints and the entire IT infrastructure. In addition, Relatech professionals will provide Liguria Digitale's Security Operation Center (SOC) with advanced control dashboards for effective security monitoring, as well as a 24/7 assistance service.

The project is testimony to a solid and effective partnership between the Relatech Group and Cynet, which together have all the tools to offer the market a complete offer, which guarantees a timely and personalized response to threats, thanks to the possibility of intervening directly on endpoints and configuring automated levels of protection and more. The solutions provided will be implementable both on the endpoints of Liguria Digitale S.p.A., and on those of the shareholders and customers to whom Liguria Digitale offers IT security services through its SOC, highlighting the flexible and customer-oriented approach of the Relatech Group.

Pasquale Lambardi, Chairman and CEO of Relatech, said:
"We are very happy to have been selected as the company that Liguria Digitale has decided

#BuildYourDigitalFuture

to rely on to ensure a complete and reliable protection service. This important project testifies to the commitment of the Relatech Group to promote digitization and IT security at regional and national level, an investment, to date, essential for all companies, especially for PAs, and demonstrates a synergistic collaboration with our technological partner Cynet. The project represents a further step forward in Relatech's mission to drive innovation and technological evolution, while ensuring a secure digital environment at all levels."

To learn more about Relatech's cybersecurity offer and to learn more about the ReSoc solution, take part in the **webinar NIS2 and PMI: Concrete Solutions to Protect Your Business** with Relatech professionals which will take place online **on Thursday 12 September from 12.00 to 12.45. To participate, it is necessary to register at the [link](#).**
